EXTRAORDINARY *interiors*

CLIZIA is a project that represents the most distinctive and authentic side of Guerra Vanni, characterised by a romantic yet contemporary style, marked with luxurious and design detailing. Refined essences such as frisé eucalyptus and ebony macassar blend with brass, gold leaf and new finishings as ice, sand and chocolate. The result is a collection that is proposed as the evolution of a tradition rich in experience and passion. CLIZIA is not just a collection, it's our personal view on interiors, simply Guerra Vanni Extraordinary Interiors.

CLIZIA è un progetto che rappresenta il lato più distintivo e autentico di Guerra Vanni, caratterizzato da uno stile romantico ma contemporaneo, segnato da dettagli lussuosi e di design. Raffinate essenze come l'eucalipto frisé ed ebano macassar si miscelano con ottone, foglia oro e nuove finiture come ghiaccio, sabbia e cioccolato. Il risultato è una collezione che si propone come l'evoluzione di una tradizione ricca di esperienza e di passione. CLIZIA non è solo una collezione, è il nostro modo di vedere l'arredamento. Abbiamo raccolto e creato per voi i nostri interni meravigliosi.

GUERRA VANNI
since 1962

Los Angeles project

Designing the interiors of this apartment in Los Angeles, skyscraper was the perfect opportunity to create a contemporary surroundings but with an art deco flavour.

We played with glossy finishes alternating black with elegant natural woods as palissander and ebony.

A comfortable relaxing area is the ideal to sip a drink and enjoy the privilege of staying with the family in the uge living room.

Traces of design are visible everywhere, from the metal components to the embroidered sofa.

No detail is neglected, as every single extraordinary interior created by Guerra Vanni.

Progettando gli interni di questo appartamento a Los Angeles, la vista dalle grandi finestre è stata la perfetta ispirazione per creare un interno contemporaneo ma dal sapore art deco.

Abbiamo giocato con finiture lucide alternate al nero con eleganti legni naturali come palissandro ed ebano.

Una comoda zona relax è l'ideale per sorseggiare un drink e godere del privilegio di stare in famiglia nel grande soggiorno.

Tracce di design sono visibili ovunque, dalle componenti metalliche al divano ricamato.

Nessun dettaglio è trascurato, come ogni singolo interno meraviglioso creato da Guerra Vanni.
